

F O U N D A T I O N

F O U N D A T I O N Series tables are ideal for training facilities. Laminate and mesh

modesty panel options accommodate privacy needs. Available with folding, nesting, cord management and multiple finish and top shape options, TableEx Foundation Series is a clean alternative to your table needs.

TableEx offers a selection of electrical system and power component options. Please call TableEx with more specific requirements relevant to your needs and we will assist you with a hardwired or non-hardwired alternative.

Also within the Foundation Series is a disc base, available at a standing height for hospitality situations.

Accessory hooks add to the users convenience with this sociable table.
